

- **Are you a cancer survivor?**
- **Are you interested in participating in a six-week pilot Telephone or Online Support Group?**

The Cancer Support Network is hosting online and teleconference support groups for colorectal cancer survivors.

The six-week pilot support groups are being held this fall and will be facilitated by experienced peer support facilitators. All you need is a Telephone or Internet Access to connect from the comfort of your own home.

If you are interested in learning more, or participating in this pilot, please contact:
